2. GENERAL PROVISIONS

- 2.1. The Policy applies if the User uses, has used or has expressed an intention to use or is in other way

related to the Website and (or) Services, including to the relationship with the User established before the Policy entered into force.

- 2.2. When you visit the Website, you may provide us with two types of information: Personal data that you voluntarily disclose that is collected on an individual basis, and Personal data collected automatically when you use the Website or Services.
- 2.3. COART shall process all Personal data in accordance with the general data processing principles:
 - 2.3.1. process Personal data lawfully, fairly and in a transparent manner;
 - 2.3.2. process Personal data only for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes;
 - 2.3.3. ensure that Personal data is adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed;
 - 2.3.4. ensure that Personal data is accurate and, where necessary, kept up to date;
 - 2.3.5. ensure that Personal data is kept in a form which permits identification of Users for no longer than is necessary for the purposes for which the personal data are processed;
 - 2.3.6. process Personal data in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.
- 2.4. All information is stored securely and is accessed by authorized personnel only. COART implements and maintains appropriate technical, security and organisational measures to protect your Personal data against unauthorized or unlawful processing and use, and against accidental loss, destruction, damage, theft or disclosure.

3. PERSONAL DATA TO BE COLLECTED

- 3.1. Personal data may be collected from you while using the Website or Services. COART collects various types of your Personal data.
- 3.2. Your Personal data is collected and used during three main stages: registration, identity verification and the use of the Website and Services.
- 3.3. By providing us with your Personal data, you also provide consent for us to collect, hold, use and disclose your Personal data in accordance with the Policy. In addition to providing the foregoing information, if you choose to correspond further with us through e-mail or through the “contact” section of the Website, we may retain, use and disclose the content of your messages together with your e-mail address and our responses.

4. PROCESSING OF USER REGISTRATION DATA

- 4.1. During your sign-up and registration on the Website, you provide us with your Personal data such as: name, surname, email address, mobile phone number or social media profile. Provision of this Personal data is compulsory and mandatory for your Account to be activated. Failing to provide any of this data or decision to delete or object to processing of any of such data will result in de-activation of your Account.
- 4.2. You may sign-up on the Website by either filling in the sign-up form or by signing-in via the chosen social media profile. In the latter case we will collect the required identification data from the respective social media platform.
- 4.3. This personal identification information is processed by COART for the purposes of User identification as well as Account activation. Additionally, this information may be used to provide Users with support, letting them know about upcoming changes or improvements, providing information regarding changes of any terms or conditions (including changes to the Policy) as well as other important information.
- 4.4. COART processes User registration data on the legal basis of:
 - 4.4.1. Your consent, expressed when voluntarily submitting and filling your Personal Data details in our registration form;
 - 4.4.2. Conclusion and performance of contractual arrangements and obligations between COART and the User;
 - 4.4.3. Pursuance of legitimate interests of COART, as controller and manager of the Website. You may at any time access and edit, update or delete your contact details by logging into your

Account with your username and password.

5. PROCESSING OF USER VERIFICATION DATA

- 5.1. In order to have full access to all features of the Website, Services and participate in the Token Sale, you must verify your identity. For this purpose, we collect and use information required to identify the User in the future (name, surname, date of birth, address, ID document No.).
- 5.2. In addition, for verification purposes we also rely on verification services, managed and provided to us by a third party (that will be disclosed in the future). While exercising this verification step, you will be requested to upload your ID document and undergo facial verification, or, alternatively, film yourself with some tasks for the proof that you are a real human. No biometric data will be processed for this purpose.
- 5.3. As such, we do not carry out verification process ourselves and do not collect, store or otherwise process any scanned copies of ID documents or Users' facial scans. For the above purposes we receive and rely on a certain confirmation from the third party (performing the verification procedures) that your identity is verified.
- 5.4. COART may request to provide further information that will allow COART to reasonably identify you. COART reserves the right to contact User and request to provide more information or approve that provided information is up-to-date and valid.
- 5.5. Processing of your ID document, facial, verification data, uploaded to a third-party database as described above, is covered by third parties' privacy policies. You should carefully review and consult on these privacy policies.
- 5.6. In case you object to collection of such additional data for verification purposes, you may change your preferences and withdraw your consent at any time you wish by following the instructions and change your options in the settings of the Account. However, please note that this may lead to de-activation of your Account.

6. DATA PROCESSED IN THE COURSE OF THE USAGE OF THE WEBSITE OR SERVICES

- 6.1. When you use the Website or Services, COART automatically collects information from your devices. COART collects the following information:
 - 6.1.1. *History and information on your activity.* We collect information about your activity related to using the Services (e.g. your participation in the games or prizes won);

- 10.12. You have a right to lodge a complaint with the data protection authority established in your jurisdiction.
- 10.13. Most web browsers are set to accept cookies as a default. You may wish to opt out by turning cookies off.
- 10.14. You may also opt out of receiving promotional communications from us at any time. If you opt out, we may still send you non-promotional communications, such as technical notices, support or administrative notifications or information about your Account (if you have one).
- 10.15. The Website may contain links to other third-party websites that may collect Personal data about you, including through cookies or other technologies. If you link to another website, you will leave the Website and the Policy will not apply to your use of and activity on those other websites. You should consult these other websites' privacy policies as we have no control over them and are not responsible for any information that is submitted to or collected by these third parties.

11. VALIDITY AND AMENDMENTS OF THE POLICY

- 11.1. We may revise the Policy in our sole discretion from time to time. The most current version of the Policy will govern our practices for processing and profiling Personal data. We will provide notice of

any modifications by posting a written notice on the Website or will send you an e-mail. Your continued use of the Website and (or) Services constitutes your agreement to be bound by any such changes to the Policy. If you do not agree with the Policy, please do not use the Website or Services.

12. ACCEPTANCE OF THE POLICY

12.1. We assume that all Users have carefully read this document and agree to its contents. If someone does not agree with the Policy, they should refrain from using the Website and Services. We reserve the right to change the Policy as necessity dictates. Continued use of the Website and (or) Services implies acceptance of the revised Policy. This Policy is an integral part of COART's Terms and Conditions published at the Website. We will ask for your consent before using Personal data for a purpose other than those set out in the Policy.
